Guide for certifications exams

Linux Professional Institute LPIC-1

from LPI

Welcome

Dear students in our course **Linux Administrator,**

- Each student from this course has right to sit for **Exam Linux Professional Institute LPIC-1**, if he complete the training by:

  1. Attend the training at least 70% of the total training hours
  2. Pass the post class assessment with at least 70% score

All participants, that complete these steps will receive an exam voucher

Certification logistics

- Here you will find link for LPI certification page:

https://www.lpi.org/our-certifications/lpic-1-overview

After passing 2 exams LPI 101-500 and 102-500 students will become certified Linux administrators. A valid LPIC-1 certificate is a prerequisite for certification Linux Engineer.

On next pages you will see the process:

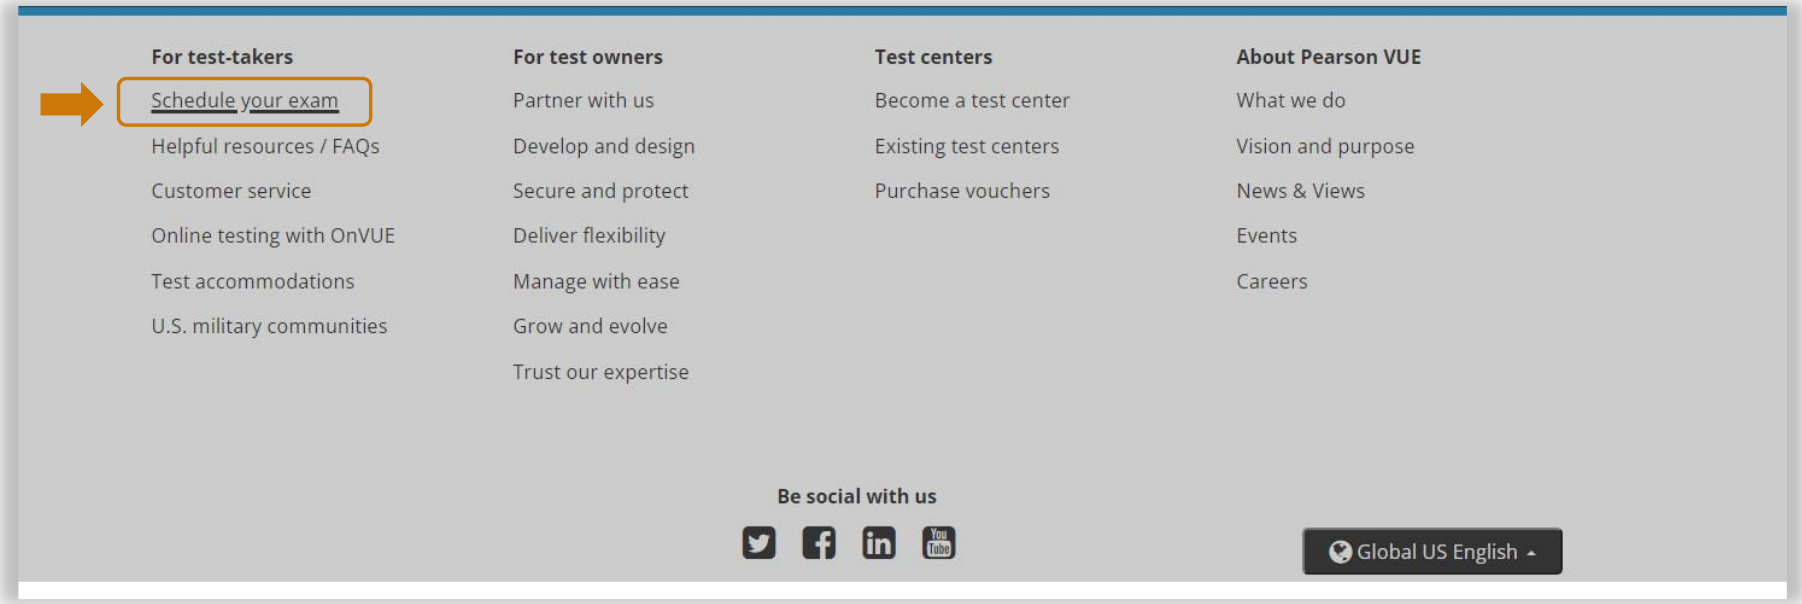

1. Create an account at PearsonVUE and LPI.

2. New Horizons provides you a voucher.

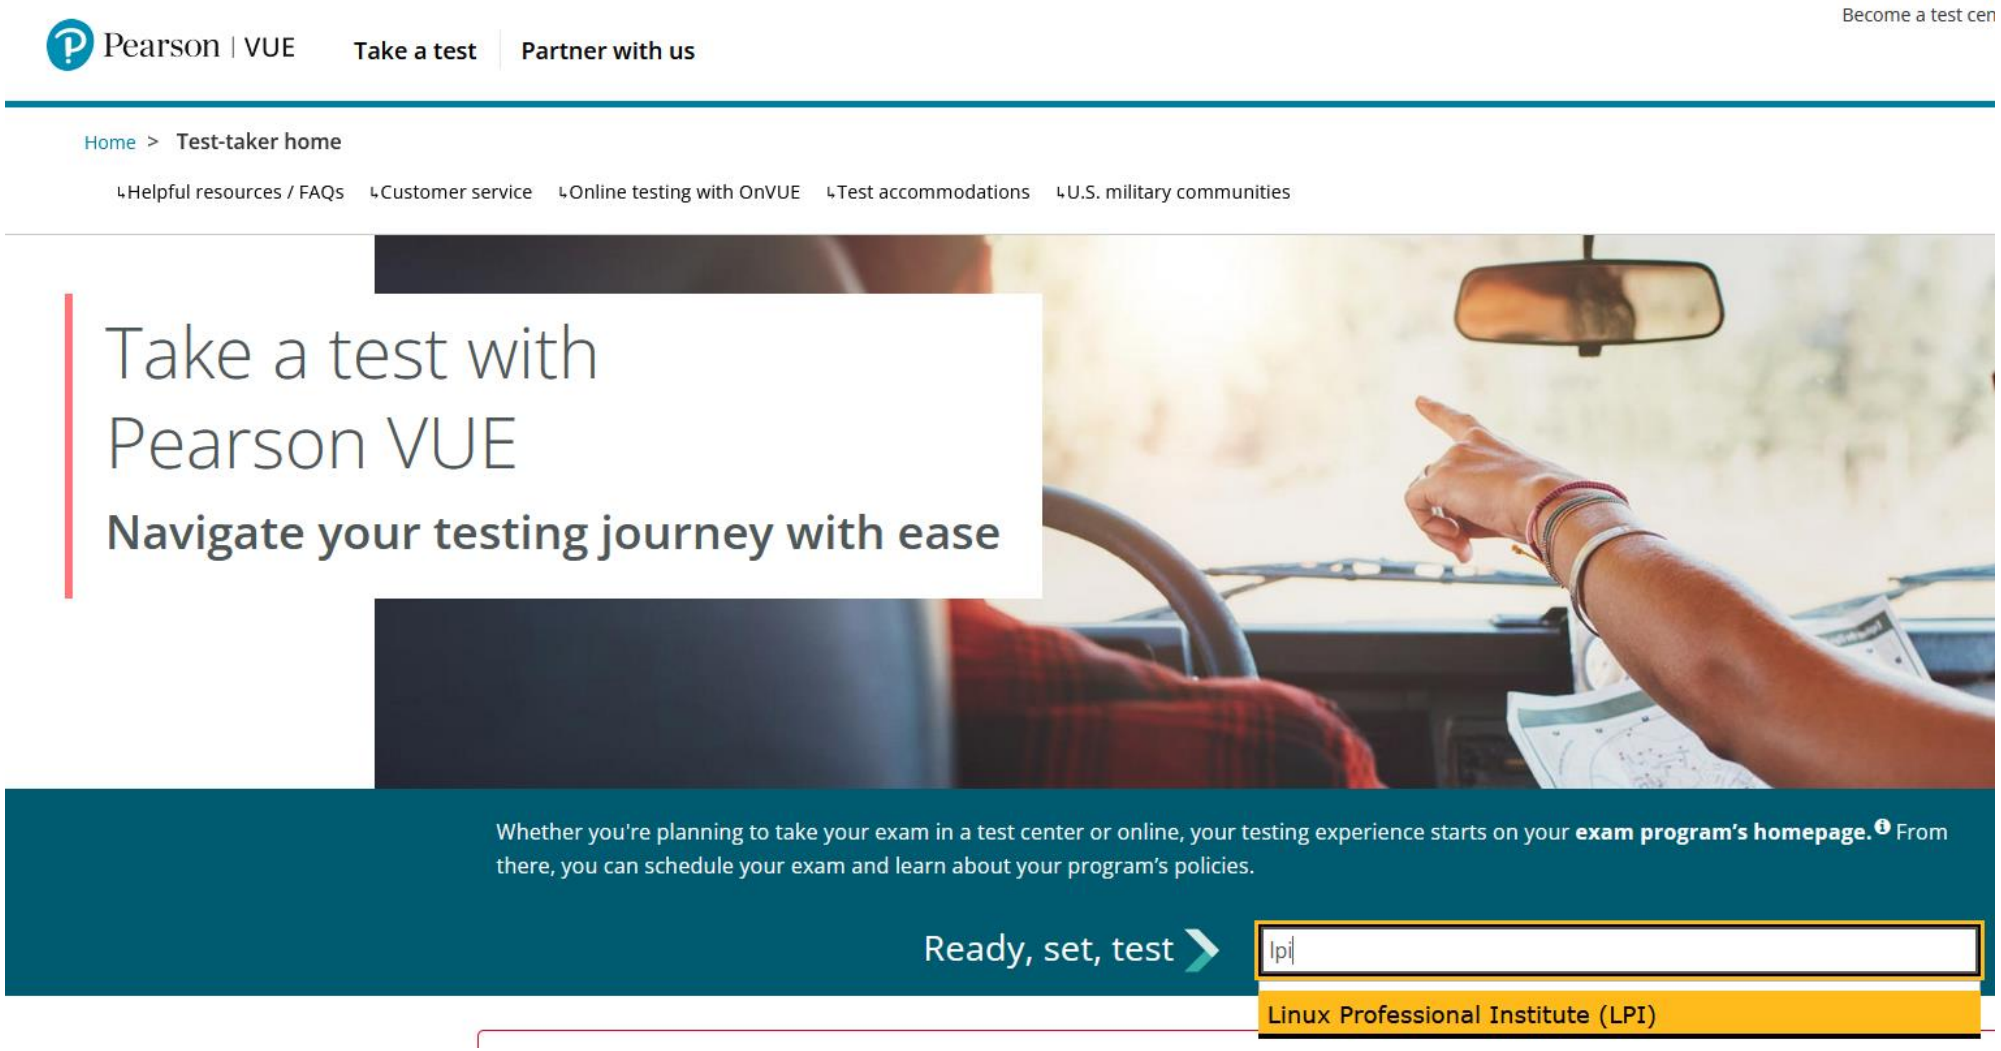

3. You register for a date and sit for exam. Pay attention to AM/PM in hours!

Online Proctored exams: What you need to know?

System Requirements, Exam rules, ID requirements

Go to: https://home.pearsonvue.com/lpi/onvue

Policies and Procedures

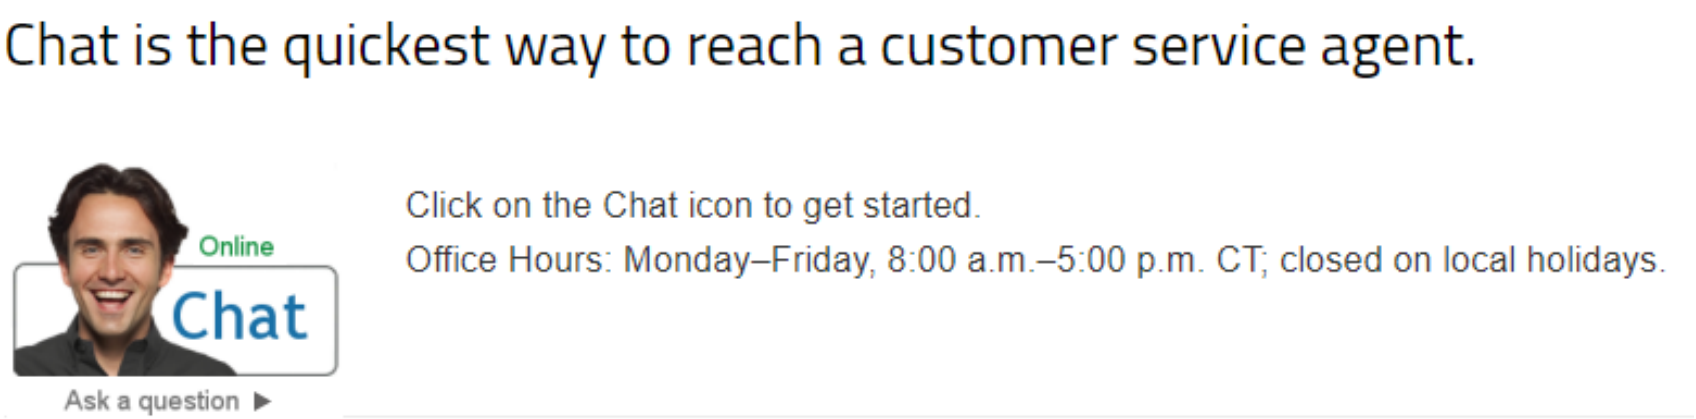

For the list of Policies and Procedures, visit:

https://home.pearsonvue.com/lpi/onvue

- You will be given a 30 minute window before your exam starts. You are required to login during this window.
- Check-in takes approximately 15 minutes for those who already completed the system check (highly advised).
- Note that you must ensure that you are not interrupted while taking your exam. Should an interruption occur, the proctor will stop the exam immediately and it will be considered a failure.
